## **FUTURE DENTIST CLUB (FDC)**

### **GUIDELINES**

1. Students are expected to participate in club activities.
2. **Students are expected to attend and be on time to meetings and be picked up in a timely manner.** Contact Ms. Willie Alexander if you anticipate a problem.
3. **Sign-In Sheet will need to be signed at every meeting.**
4. Contact Ms. Willie Alexander if you will be absent from a meeting for any reason. Also, let her know in writing if a problem arises that will affect your regular attendance. **An excessive number of excused tardies and/or absences may result in a loss of membership.**
5. As a representative of FDC, you are expected to maintain a professional attitude while on campus and attending off-campus activities. Failure to conduct yourself professionally may result in dismissal from FDC.
6. Respect faculty, staff, dental students, guest speakers and your peers.
7. Remain attentive and maintain a professional and positive attitude while attending Club meetings and/or Club activities. We want you to enjoy and learn, so please assist us by conducting yourself in a professional manner at all times.
8. Dress is casual. Jeans (no holes and no sagging) and t-shirts with appropriate language and graphics are permissible. **Scrubs can be worn, if desired.** The College reserves the right to determine, on an individual basis, if dress is appropriate.

## Some of the Future Dentist Club Benefits Are:

### **FDC offers Educational Experiences:**

Students will broaden their knowledge of and interest in dentistry as a career/by:

- exploring and becoming familiar with dental procedures
- participating in hands-on dental projects
- listening to presentations and guest speakers.

### **FDC offers Leadership Opportunities:**

Students in grades 9-12 will participate in activities that will allow them to build on their leadership skills.

### **FDC offers Social Gatherings:**

Students will meet monthly and socialize with other students from different D/FW-area schools.
