

Screening Clinic Information

Information Line: 214-828-8441 - message only

Thank you for your interest in becoming a patient at Texas A&M Health Science Center Baylor College of Dentistry. We are a teaching institution in which treatment is performed by students and supervised by licensed clinical faculty. A screening appointment is necessary to determine if you are a suitable teaching patient.

Screening Appointments – By Phone Only

- Applicants may call **214-823-1376** beginning on **Wednesday at 9:00 A.M.** for Monday – Friday screening examinations the following week until all appointments for that week are filled.
- **Please DO NOT call any other number at the college for appointment or information. Appointments cannot be made at other numbers, and your calls cannot be forwarded.**

Screening Appointment Costs

Registration Fee\$18.00
Screening Fee.....\$18.00
Panoramic x-ray\$39.00

Subtotal: \$75.00

Treatment Deposit.....\$200.00 (**required if accepted for treatment; to be applied to future procedures**)

Total: \$275.00

Please note:

- **\$75.00 for registration, screening and x-ray fees is non-refundable.**
- You will need to bring **\$275.00** for your screening appointment. Acceptance as a potential undergraduate patient or referral to our graduate clinics for additional screening, does not guarantee that you will be assigned to a dental student or resident for treatment. **No dental care will be rendered during screening exams.**

IMPORTANT! Please read:

Fees for service are not based on income and are due **in full each visit:**

- Accepted forms of payment are cash, check, money order, Master Card or Visa.
- Insurance, including Medicaid/Medicare is not accepted as a form of payment for adult dental care.
- There are no payment plan options available.

After the Screening Appointment

As a teaching institution, we assign a limited number of patients to a dental student based on his/her educational needs; it may take a semester before your first appointment. The student or his/her Patient Appointment Associate (PAA) will contact you to set up your first oral diagnosis appointment. **Please note: If you have not been assigned a student within one year of acceptance, you will need to repeat the initial screening process.**

- Parking is available in the surrounding area. (Please read all parking lot signs carefully.)
- Patients are only accepted for the completion of **ALL** dental care needed.
- You are responsible for seeking all emergency/immediate dental care outside the college until you are assigned to a student for treatment.
